Ingredients:

One bottle Cooper Vineyards
Noche Chocolate Wine

1/3 cup semi-sweet chocolate
pieces

Cornstarch

Directions:

Slowly heat wine on stove, bring to a slow boil and reduce heat to simmer. Add chocolate pieces slowly stirring in until combined.

Add cornstarch – just enough to thicken mixture to a gravy style consistency. The flavor should be of a rich red wine with strong chocolate notes.

Let mixture cool and pour into squeeze bottle and drizzle on plate – place Cannoli or other dessert on Chocolate wine coulis and drizzle coulis over dessert. Serve and enjoy!
